

Become a 2020 Grand Giver

Your compassion and thoughtful support of Ronald McDonald House Charities (RMHC) and the families we serve is truly meaningful as you are fueling our mission – to surround families with the support they need to be near hospitals and care for their seriously ill or injured child. COVID-19 has changed the world and it's changed RMHC. And, it is no surprise that we need your support now more than ever.

We would be grateful to earn your support this year as a Cornerstone of Love Grand Giver. Grand Givers are an extraordinary group of individuals who annually make a personal donation of \$1,000 or greater.

If you have already become a 2020 Grand Giver, we sincerely thank you! Your support is the foundation of our work that makes our day-to-day programming possible and directly impacts families in need.

Thank you for your love and shared dedication to our mission and the pediatric patient families we serve.
