**FOR IMMEDIATE RELEASE**

**ADOPT-A-BED PARTNERS WITH AMORE BEDS TO PROVIDE  
NEEDED MATTRESSES AT THE RONALD MCDONALD FAMILY ROOM AT  
PRIMARY CHILDREN'S HOSPITAL**

**Salt Lake City, Utah:** On Wednesday, January 30th at 10:30AM Adopt-a-Bed will deliver 8 new mattresses provided by Amore beds to the Ronald McDonald Family Rooms at Primary Children’s Hospital. The Family Rooms at Primary Children’s Hospital have a total of 8 overnight respite rooms where parents and loved ones of pediatric patients can get some needed rest while remaining close to their hospitalized child. Last year, approximately 4,000 individuals used the rooms to sleep overnight or to take a much needed rest during the middle of the day while remaining within steps of their seriously ill or injured child. Amore beds is the bed and mattress supplier who is responsible for this generous donation.

Carrie Romano, CEO of Ronald McDonald House Charities of the Intermountain Area stated “We are thrilled with this partnership between Ronald McDonald House Charities and Adopt-a-Bed, particularly with Amore beds as the donor. Amore means love in Italian—and as we like to say, we are the house (and family room) that love built. This donation will ensure a comfortable bed for our guest families to find rest in the hospital and for that we are very thankful.”

The 8 new mattresses provided by Adopt-a-Bed and Amore beds will help fulfill their shared vision of providing a comfortable bed for everyone who is in need of it—and in this case for the guest families at the Family Room at Primary Children’s Hospital who are facing some of the most difficult challenges they will ever face.

**About Adopt-a-Bed**

Adopt-a-Bed is a new non-profit that opened its doors in 2018 committed to securing bedding donations for underserved communities. In the first 90 days of operations, Adopt-a-Bed donated 1,100 mattresses and have a goal of donating 1,300 a month. Adopt-a-Bed has a variety of programs including a gifting program for monthly subscribers, a “buy-one, give-one” initiative, and through partnerships with suppliers who donate their mattresses. **About Ronald McDonald House Charities**

The Ronald McDonald House® and Ronald McDonald Family Room® provide a temporary home-away-from-home that serves and sustains families of children receiving treatment at area hospitals. Seriously ill or injured children cope and heal better when surrounded by loved ones. The purpose of the Charity is to support families when it matters most; to ease daily burdens and empower families of hospitalized children with meaningful experiences and quality time together - because togetherness heals. More information is available on their website at [www.rmhslc.org](http://www.rmhslc.org).
