LETTER FROM THE BOARD CHAIR & CEO

Dear Friends,

Thank you! Together with your contributions of time, talent and money last year we positively impacted 13,577 pediatric patient families through Ronald McDonald House Charities® (RMHC) of the Intermountain Area! Our 72-room Ronald McDonald House® welcomed 3,673 guest families with 11,096 individual family members that called our House their 'home' for 23,479 nights (a record occupancy of 91%). We offered needed respite for 7,422 families, with 10,321 individuals that visited our Ronald McDonald Family Rooms® within Primary Children's Hospital 118,829 times during the year! Our eight overnight retreat rooms within the hospital averaged 95% occupancy. Our Hospitality Carts at Ogden Regional Medical Center and Shriner's Hospital for Children served 2,482 pediatric patient families. Remarkably, 1,340 Adopt a Meal groups lovingly prepared and served 66,950 meals for pediatric patient families at the House and Family Room, and 43,085 volunteer hours were contributed during the year! Our guest satisfaction scores increased in every category from 2018 to 2019 at both the Ronald McDonald House and Ronald McDonald Family Rooms.

"Go as far as you can see; when when you get there, you'll be able to see further."
THOMAS CARLYLE

We were honored to have once again received Charity Navigator's highest Four-Star Rating for nonprofit accountability and excellence and thrilled to be recognized for the first time as a 2019 Top Utah Employer by the Salt Lake Tribune. We were also selected for an RMHC Global Grant for Excellence to develop and launch new Hospitality and Wellness Programming. We continued to develop the adjacent properties North of our Ronald McDonald House for a beautiful backyard greenspace and campus expansion to open in 2020 made possible by extraordinary donors who have pledged $3.1M toward the project.

Thank you to our amazing and wonderfully committed volunteers and generous donors that fueled our mission. We were amazed and humbled by the exceptional generosity we witnessed during the year with a record Spirit of Children Gala, Grand Giver Program and Golf Tournament. Most importantly, thank you to the families we serve - the inspiring child patients and warrior mothers, fathers and sisters and brothers. Thank you for teaching us what is important – our health and each other.

Together we are surrounding families with the support they need to be near and care for their seriously ill or injured children. Thank you for making this possible.

With heartfelt appreciation,

Matt Cox

SLC HOUSE

Ronald McDonald House

The 72-Room Ronald McDonald House is located in Salt Lake City within miles of our major partner hospitals. Families of pediatric patients can stay together while their child is getting the treatment they need. Not only does the House offer the 72-bedrooms, some that can sleep up to 5 people, there are also large gathering spaces, a large kitchen, a theater room, play room, game room, work-out room and more. We are also excited to be opening a new backyard park in 2020 to complement the existing outdoor courtyard where families can congregate and play together.

Ronald McDonald House Charities operates 2 Family Rooms located within Primary Children's Hospital. The 2nd Level Family Room serves parents with a child being treated in the Pediatric ICU, Neuro Trauma Unit, and Cardiac ICU. While the 2nd Level Family Room is just for parents, our Family Room on Level 3 is available for families, children and guests to visit together. Parents are steps away from their child being treated and can access showers, a combined 8 overnight sleep rooms, a fully-stocked kitchen, computers, crafts and more.

"I can't tell you how wonderful the Ronald McDonald Family Room has been. We are from out of state and so I have stayed in my daughter's room and have showered here. The meals have been so wonderful. I have used the computers to print some forms for my insurance." — GUEST

HOSPITALITY CARTS

Ronald McDonald Hospitality Carts

Ronald McDonald House Charities operates 2 Hospitality Carts: one at Shriner's Hospital for Children and one at Ogden Regional Medical Center. These hospitality carts offer pediatric patients and their families snacks, toys, crafts and activities, toiletries, treats and more. 2019 Hearts and Hands Award

PLANNING YOUR
LEGACY OF LOVE

Many of our supporters choose to provide for our future through planned gifts. Unlike cash donations, planned gifts are typically made from assets in your estate rather than from disposable income, and may come to fruition after your lifetime.

CREATING A LEGACY OF LOVE DURING YOUR LIFETIME

- Cash Gifts: Put your gift to work today
- Securities: Save in taxes this year with a gift of stocks, bonds, or other marketable securities

CREATING A LEGACY OF LOVE AFTER YOUR LIFETIME

- Bequests: One of the easiest ways is to leave a gift in your will or living trust
- IRA or Retirement Plan Asset: A tax-wise strategy
- Charitable Remainder Trusts: Receive lifetime payments for your generosity
- Life Insurance: A low cost way to make a big impact

LEGACY OF LOVE SOCIETY

Membership in our Legacy of Love Society is our way of thanking those thoughtful donors who have left a legacy by including Ronald McDonald House Charities of the Intermountain Area in their estate plans. All Legacy of Love donors are lifetime members of our Legacy of Love Society and will be permanently recognized on the Legacy of Love donor wall located inside our Backyard Park at the Ronald McDonald House.

CONTACT US

If you have already included Ronald McDonald House Charities of the Intermountain Area (RMHC) in a bequest or other planned gift, please let us know so we can properly thank you and include you on our Legacy of Love donor wall. For more information, please contact Vickie Moschetti, (801) 363-4663, vickie@rmhslc.org or visit our planned giving pages on our website: www.rmhcpghome.org/Utah.
