Ronald McDonald House ADOPT-A-MEAL

Operating safely during COVID-19 means we have made changes to our popular Adopt-a-Meal program.

About the Adopt-A-Meal Program

The Adopt-a-Meal program provides a much-needed service to families who are supporting their sick or injured children. Often families do not have the time, resources, or energy to prepare a healthy, hot meal for themselves. This program invites friends, families, co-workers, school, community or church groups to provide meals for families staying at the Salt Lake City Ronald McDonald House. This assistance is even more important now as the COVID-19 pandemic continues to affect our community.

In lieu of preparing a meal onsite at the Ronald McDonald House, we are asking groups to sign up to provide individual, catered meals for dinner.

By signing up, groups are agreeing to:

- Place the Order
- Make the Purchase
- Arrange for delivery to the Ronald McDonald House

What Restaurants Do I/We Choose?

You can choose from any restaurant of your choice or you can consult the list of potential restaurants and menu items provided by RMHC.

What Type of Food Should We Order?

Please make sure you include both meat and vegetarian options. A RMHC staff member will confirm the number of individual meals needed for your specific Adopt-A-Meal.

How Should We Coordinate with RMHC?

Please confirm your order and menu with Kacie Pecor (kacie@rmhslc.org) at least four business days prior to your meal.

If you have any questions, please contact the Volunteer and Outreach Director, Kacie Pecor at kacie@rmhslc.org or 801-363-4663 ext. 407.
