Ronald McDonald Family Room ADOPT-A-MEAL

Operating safely during COVID-19 means we have made changes to our popular Adopt-a-Meal program.

About the Adopt-A-Meal Program

The Adopt-a-Meal program provides a much-needed service to families who are supporting their sick or injured children. Often families do not have the time, resources, or energy to prepare a healthy, hot meal for themselves. This program invites friends, families, co-workers, school, community or church groups to provide meals for families finding comfort and support in the Ronald McDonald Family Room. This assistance is even more important now as the COVID-19 pandemic continues to affect our community.

We Need You:

To continue to provide the high level of support and resources for families served at Ronald McDonald Family Room and create the safest environment possible for the pediatric patients we serve, we have adjusted our Adopt-a-Meal program.

Give the Power of Strength:

With your financial support, pediatric patient families can revitalize with a delicious catered meal and restore their superhuman strength. Breakfast and lunch sign up slots are currently available.

You can sign up on our website:

In lieu of preparing a meal onsite at the Ronald McDonald Family Room, we are asking groups to sign up to donate the funds to provide a meal for families utilizing the Family Room. **By signing up, groups are agreeing to cover the cost of the meal** and RMHC staff will order a catered meal from Intermountain Primary Children's Hospital Food Services. A donation link can be found on our website under the Family Room Adopt-a-Meal calendar link. The donation link will also be included in your confirmation emails.

If you have any questions, please contact the Volunteer and Outreach Director, Kacie Pecor at kacie@rmhslc.org or 801-363-4663 ext. 407.

To sign up, please visit our website.
