

Cornerstones of L♥ve Grand Giver Program

Ronald McDonald House Charities®
of the Intermountain Area

Our Mission Matters

We surround families with the support they need to be near and care for their seriously ill or injured children. We provide a home-away-from-home to ease daily burdens and empower families of hospitalized children with meaningful experiences and quality time together.

Since 1988, we have provided families with a place that feels like home through our two core programs: Ronald McDonald House and Ronald McDonald Family Room. The Ronald McDonald House is a place where families can stay to be close to their hospitalized child for days, weeks, even months. The Ronald McDonald Family Room offers parents a place to rest and regroup right at the hospital, just steps from their child's bedside.

Our Grand Giver program represents a remarkably generous group of individual donors who make a personal annual gift of \$1,000 or greater- keeping families close when it matters most.

Love Lives Here

- ♥ Each year, the Salt Lake City Ronald McDonald House gives more than 3,500 families a place to call home while their child receives medical treatment.
- ♥ Families are invited to contribute \$20 a night toward their stay - no one is turned away for inability to pay.
- ♥ The actual cost of a family's one-night stay is approximately \$75.
- ♥ Our Ronald McDonald Family Room provides a place of calm and respite for over 7,000 families a year just steps from their child's bedside.
- ♥ There is no charge to visit our Family Room.
- ♥ Volunteers provide 23,000+ hours to help operate our House and Family Room.
- ♥ About 800 meals are served to families staying at our House or visiting the Family Room.
- ♥ Approximately 90% of our budget is raised through private contributions and fundraising efforts. 10% comes from guest fees.
- ♥ A small staff of just 45 employees serves more than 10,000 families 24 hours a day, seven days a week, 365 days a year.
- ♥ Our House and Family Room are filled with love, support and compassion.

Our Cornerstones of Love

We made our first contribution based on the enthusiasm and passion of the volunteer leaders and staff. After having the opportunity to volunteer at the House myself, and see the difference the little we have to give makes, we now share this passion ourselves. The need we once only saw, we now feel.”

Keeping Families Close

"Thank you" seems so insincere a sentiment to adequately say just how graceful I am to RMH, its employees, volunteers and contributors! I am in awe at the love and care I have received; a beautiful comfortable room, the innumerable amenities, the meals, the room gift bag, the entertainment! No parent wants to have their child suffer with medical issues and the stress and emotional and financial strain is taxing. Being able to retreat into the comfort of RMH has been such a relief and brought a much needed respite from the burdens of the day. Thank you, thank you for all the love you have given me and my family!
